

Campaign for a **DECADE OF ACCOUNTABILITY FOR THE SDGs**

About the Campaign

The *Campaign for a Decade of Accountability for the SDGs* is a multi-stakeholder partnership mobilizing accountability actors from a wide range of sectors to support accountability for the 2030 Agenda and the SDGs. The Campaign will look to bolster concerted action and amplify efforts to hold duty bearers to account for their commitments to sustainable development in a coordinated manner.

Who We Are

Reflecting the multi-stakeholder nature of SDG accountability, the Campaign brings together diverse partners mobilizing broad networks of various stakeholder groups, including civil society, the private sector, academia, the media, National Human Rights Institutions, and philanthropy.
